

# WIT AND WISDOM AT REPUBLICAN DINNER THIS EVENING

Lincoln Influence Will be Exerted at the Banquet Which is Scheduled to Start the Political Pot Boiling.

Republican oratory, composed of republican wit and wisdom, will be turned loose this evening at the banquet to be held at the Mizpah grill in commemoration of Lincoln's birthday. All of the local clan will be present as will a number of followers of the prosperity banner, who hail from outside camps, and who happen to be sojourning in our midst. The affair will in no way resemble the "dollar a throw" feed as was indulged in by adherents of "that peerless one" several weeks ago at Reno. On the contrary this will be an affair whereby the republican political pot will be placed on the fire and from hence, the pot will be bubbling and boiling.

There will be no red fire attached to the proceedings this evening nor will the democratic knife or steam roller be borrowed for the occasion. For, on the other hand, it will be an event of serenity where fit homage will be paid to the memory of Abraham Lincoln. The speeches will not be long and tiresome and on topics totally foreign to the occasion, but will be confined to the subject strictly. The

talkers will be local men with the Hon. Hugh H. Brown acting as the speaker of the evening. Judge H. H. Atkinson will preside as toastmaster.

The committee was busy yesterday completing the arrangements for the affair and by tonight a gallery, just outside the window, will have been built. This will be reserved for the democrats who will have the privilege of witnessing the dinner through a nice large plate glass window, and undoubtedly these spectators will enjoy themselves immensely. Of course they will not be permitted to speak but they might as well get used to this now as later, for from the present appearance and indications, there is going to be a republican landslide in Nevada at the fall election.

The festivities will start promptly at 6 o'clock and the affair will be terminated by 9 o'clock so as to not conflict with several other events that are scheduled this evening. A general invitation is extended to all republicans to be present and help start the republican boom. The price per plate will be \$2.50.

## IS FREED ON HABEAS CORPUS PROCEEDINGS

MRS. MARY A. POWERS OF  
CLARK COUNTY GAINS  
FREEDOM.

Habeas corpus proceedings were instituted Thursday night in the case of Mrs. Mary A. Powers, who was serving a six months' sentence in the county jail for assault, having been sent here for her term of imprisonment at the request of the sheriff of Clark county, as there is no county jail in that county. The proceedings stated that the sheriff of this county had not been instructed by the governor of the state to hold the woman, as the law demands that the sheriff in the county where the trial was held, should request the governor to order the sheriff of this county to hold the prisoner. The arguments were made in the case Thursday night and last night Judge Averill ruled in favor of the defendant, ordering the sheriff to turn her loose, which order was obeyed. Mrs. Powers had served about three months of her sentence. She was represented by Attorney A. R. Needles.

The crime charged Mrs. Powers was beating an aged man at Las Vegas, and from accounts of the trial it appears that the assault was unprovoked. The judge in passing the sentence remarked that if it had been within his power the term would have been a great deal longer than six months, which is the maximum penalty for the crime charged.

## COMMISSIONERS NAME TAX RATE FOR THIS YEAR

AMOUNT HIGHER THAN LAST  
YEAR BUT VALUATION TO  
BE REDUCED.

While the new tax levy, as drafted by the board of county commissioners yesterday, is slightly higher than the amount paid during the past year, the valuations for this year will be lowered considerably, according to the statement of the board yesterday. Tonopah will pay a total tax of \$3.50 against \$3.40 for last year while the Rhyolite rate is \$3.60 against \$3.35 for the previous year. The levy is as follows: State funds, 60 cents; court house funds, 15 cents; county school funds, 35 cents; contingent funds, 5 cents; indigent, 15 cents; general, 30 cents; salary, 30 cents; Nye county improvements, 10 cents; refunding bond fund, 15 cents; emergency fund, 35 cents; road fund, 10 cents. This is the general county tax and totals \$2.60. The special tax for the town of Tonopah is: Fire tax, 50 cents; street and alley tax, 50 cents; Tonopah school house, principal, 7 1/2 cents; Tonopah school house, interest 2 1/2 cents, which makes a grand total of \$3.50.

The special tax for the town of Rhyolite is: School house principal 10 cents; school house, interest, 50 cents; fire, street and alley, 40 cents, totaling \$1.00 or a grand total of \$3.60.

## SPLENDID PROGRAM AT THE BUTLER TODAY

Commencing with today's matinee and continuing until Sunday matinee and evening performances, the management of the Butler theater has provided a special program for its patrons. The program will be one of the very best ever offered at this popular place of amusement.

Four pictures and two songs will be on the boards, as follows: "Merry Christmas and a Happy New Year, comedy; "The Professor and the Thomas Cats," comedy; "His Last Deal," one of the latest American Biograph dramas, and "Camille," a Pathe, veritable film d'art, a thrilling and intensely dramatic representation of what has been termed by competent critics to be Alexander Dumas' masterpiece—"Camille." The story of the unfortunate Marguerite Gantier and her unhappy lover, Armand Duval, are graphically represented and dramatically acted, as the finished actors of the Pathe company always do act. After seeing the picture one seems to become acquainted with them. It is unnecessary to repeat the story. It would seem

that one so popular in novel, drama and opera, would be sufficiently well understood to preclude the necessity of repetition. This program is a grand one and should be seen by every one. Matinee at 2 p. m.

## PROMINENT MAN DESERTS BRIDE AT THE ALTAR

COUNTY COMMISSIONER NARROWLY ESCAPES BECOMING BENEDICT.

A romance, such as happened in the old days, came near happening yesterday at the court house, and but for the bashfulness of Sam Lindsay, chairman of the county commissioners, he might now be a married man, instead of living a bachelor's life.

For the last week Mr. Lindsay has been paying considerable attention to one of the young lady attaches at the court house, and yesterday his fellow members of the board decided that it would be proper to have Sam married. County Clerk Bob Pohl was on the job in a minute and hastily secured one of his cut-rate marriage licenses. Judge Averill was then summoned, as was the bride. Sam was told to stand up. He done so and just as the judge was about to pronounce the words making the pair man and wife, Mr. Lindsay sat down and called the meeting to order. The prospective bride blushed as did the spectators, who hastily left the room. Last night when the chairman of the board left the office, it was noticed that a certain young lady paid no more attention to him than she did to Billy Grimes, who is married. And at that she is not to be blamed, for it is nearly a case of deserted at the altar and sounds something like the fashion of Bertha M. Mud.

## MANGANA NOT TO BE HANGED FOR SEVERAL MONTHS

RESPITE RESULTS IN THE APPEAL OF THE CASE TO SUPREME COURT.

Yesterday was supposed to be the last day on this earth for Ascension Mangana, who was convicted of murdering Bryon Nelson, and sentenced to hang at the state penitentiary. With the filing of the appeal by Judge J. A. Sanders last week, a thirty-day stay of execution was granted by the supreme court. This stay will be extended an additional fifteen days for the court to examine the appeal, and following that the counsel for the defendant has fifteen more days to make a final answer. If the appeal is denied Mangana will be brought back to this city to have sentence pronounced on him for the second time.

The crime for which Mangana was convicted was one of the most cold blooded affairs recorded in the criminal history of this county. His case attracted considerable attention and the verdict of hanging was the first to be returned in this county for nearly forty years. The murderer was defended at his trial by Attorney Fred L. Seybolt and after his removal to California, at the conclusion of the case, the court appointed Sanders to perfect the appeal.
